

Corporate Profile Carlisle Holdings Limited is a transatlantic leader in supplying outsourced facilities services and staffing services to a broad range of commercial, industrial and municipal clients. The Company also has interests in financial services and telecommunication services businesses. Formed in 1999 by the merger of BHI Corporation and the former UK-listed Carlisle Holdings Limited, Carlisle now has over 50,000 full and part-time employees and more than 17,400 clients in the US, the UK and Ireland.

Facilities Services Carlisle provides facilities services in the US through OneSource and in the UK through LI Group and Capitol Security Services. OneSource is a leader in outsourced facilities services, providing cleaning and value-added building and maintenance services to commercial, institutional, municipal and industrial clients. In the UK, LI Group delivers cleaning and support services to clients in the retail, leisure, travel and public services sectors. Also based in the UK, Capitol provides specialized security services, primarily manned guarding, to a variety of clients.

Staffing Services Carlisle Staffing Services provides contract, temporary and permanent staff to clients in the UK and Ireland, operating in the marketplace for people in professional services, office and industrial and public services, as well as in the developing outsourced human resources market.

A close-up photograph of a hand holding a red cloth over a sink. The sink has a chrome faucet and a drain. The background is a bright, slightly blurred blue sky. The lighting is bright and natural, suggesting an outdoor setting.

Financial Services Carlisle also operates The Belize Bank and other wholly-owned subsidiaries that provide a variety of banking and financial services to both domestic and international clients.

Telecommunication Services In addition, the Company has a majority interest in Belize Telecommunications.

Carlisle Holdings Limited is a leader in the business services sector in the US and the UK. In order to build shareholder value, we have to focus on expanding our geographic reach and increasing the already impressive list of services we offer our clients, find ways to connect with and fully understand the needs of our clients and our employees and develop innovative service solutions to the many challenges facing both our clients and the industries in which they participate.
